

Captain's Report 6th July 2011

Call Outs

CFR Call 4th June

Patient with spinal complications and punctured lung. Thompson St. Thank you to Fiona Degan, John Marshall, Julian and Whitey.

Storm Damage 13th June

Storm Damage tree down over power lines Bells Wharf. Thank you Tim Byrne, Grahame Crawford, David Wardman. A quick response and the implementation of the Council emergency plan stopped us from losing power overnight.

Training

Brigade Meeting 1st June – 6 members attending

Special brigade meeting 22nd June – 5 members attending

Brigade Training 5th June – 5 members attending

CFR Stock and PC setup - 11th June – 6 members attending

CFR Roll out training 19th June – 13 members attending

Brigade Training Boat - 3rd July – 8 members attending

Other Activities

Winter Dinner 2nd July – 12 members assisting with setup (approx 75 adults, 10 children). Well done Anita and the whole team (Kerry, Bob, John, David W, Phil Clear, Jen, Whitey et al). It is really great to see people in the shed again. Well done Anita for organising another great raffle. Thanks to Natalie and George Gaal, Graeme Crawford, Chuck Bradley, Ron Wandless, and Julian Muir for cooking.

Foxtel setup 11th July – Thank you to George Gall and Julian Muir for getting foxtel installed in the shed. A practise night was held on the 18th June with 10 guests. George and Julian are prepared to run Rugby nights and do all the preparation.

New Office

A very special thank you to Ron Wandless for finding the new office. Thank you to John Marshall, Tim Byrne, Chuck Bradley, Ron Wandless and Ian White for installing the office and cleaning up.

Radio Setup

Thank you to John Marshall for setting up all the station radios and fixing the speaker system.

Workshop

Thank you to Phil Clear for painting and sorting out the workshop.

CFR Training- The Ambulance service require the CFR team to train one night per month. Since there was no ambulance training in June we have been asked to train for 2 nights in

July the 13th and 27th. There will be training on the 2nd Wednesday night of each month after that.

CFR Equipment – The station is now fully stocked. The meds pack is now in the PC. Please note that as restricted drugs are kept in the PC the PC needs to be locked when it is not at the station. Extra supplies of some drugs will need to be stored in a safe.
